

Dr. B. R. Ambedkar Central Library

Invites You...

to a Free Live Authorship Workshop at
Jawaharlal Nehru University in Delhi on
13th September 2019.

How to Publish a Technical Paper with IEEE

Date:

Thursday, 13th September 2019

Time: 13:00 to 17:00

Place: Convention Center, JNU, New Delhi

Workshop Agenda

Registration: 13:00 to 13:45

Inauguration and Welcome: 13:45 to 14:00

IEEE Introduction and Background: Collin Dmello - 14:00 to 14:15

Keynote - How to Write a Quality Technical Paper and Where to Publish within IEEE: Prof Gaurav Sharma - 14:15 to 15:45

High Tea: 15:45 to 16:00

IEEE Open Access Initiative and IEEE Xplore API: Collin Dmello - 16:00 to 16:20

IEEE Xplore and Other Author Tools: Ranbir Singh - 16:20 to 16:50

Closing Remarks by EBSCO: 16:50 to 17:00

The authorship workshop will offer advice on everything from how the IEEE publishing process works to basic writing tips and submitting a manuscript.

The goal of the workshop is to enable engineers, faculty, researchers, and authors to advance technology and their careers by enhancing their ability to get published and share their research with the scholarly community. The event is free to faculty, research staff, and postgraduate engineering students with an interest in learning how to publish with IEEE.

About the Resource Person

Prof. Guarav Sharma

Professor of Electrical and Computer Engineering
Rochester University, United States

Gaurav Sharma is with the University of Rochester, where he is a Professor in the Department of Electrical and Computer Engineering, Department of Computer Science, Department of Biostatistics and Computational Biology, and Department of Oncology.

Prof. Gaurav Sharma is a Fellow of the IEEE, author, and former associate editor of *IEEE Transactions on Information Forensics and Security* and *IEEE Transactions on Image Processing*.
